The “10-40 Window”

The area between 10 degrees latitude north of the equator and 40 degrees latitude north of the Equator, encompassing Asia, Africa, and the Middle East. This region is home to billions of the poorest, least educated, most hungry people in the world—each one loved by God, yet least aware of Christ and Christianity.

SAT-7 broadcasts across the entire western half of the 10-40 Window to over 500 million men, women, and children reaching more people, more efficiently than any other available means of witness.

Based in Cyprus, SAT-7 broadcasts 24/7 in 3 languages over 5 satellite television channels across 22 countries in the Middle East and North Africa, and 50 countries in Europe. 80% of programming is produced by Middle Easterners for Middle Easterners.

Arabic language:
SAT-7 ARABIC—family programming produced in Beirut and Cairo
SAT-7 KIDS—programming for Arab children and youth
SAT-7 PLUS—expanded programming schedule maximizing viewing options

Farsi (Persian) language:
SAT-7 PARS—family programming produced in Cyprus, UK, US, and Canada

Turkish language
SAT-7 TÜRK—family programming produced in Istanbul

SAT-7 is bypassing rulers, religions, and regimes by broadcasting Christian programming via, virtually uncensorable, satellite and offering a cost-efficient and effective way of reaching people in the privacy of their own homes.

In a region characterized by high illiteracy rates and media censorship, SAT-7 broadcasts the Word of God and Christian teaching to more than 15 million confirmed viewers—men, women, and children; rich and poor; urban and rural; religious and non-religious—in their own heart- and home-language.

SAT-7 is thoroughly Christian, multi-denominational, non-political, and non-partisan. Because SAT-7 does not attack other religions, viewers from all religious backgrounds can engage in true, and trustworthy, presentations about Christ, Christianity, and the Gospel. SAT-7 does not ask for funds on-air and it receives its support from friends of the ministry.

SAT-7 broadcasts daily to millions at a cost of less than $1 per viewer per year of Christian programming.

But even more incredible, people are hearing the Word of God who likely would not be able to access the Bible in any other way. Non-believers are hearing the Gospel and many are becoming believers by faith in Jesus Christ through this remarkable ministry.

“The joy comes to Dick and me when we see the reaction to the cost effectiveness of this ministry. Our favorite line is ‘one dollar buys me viewer one year of Christian television.’”

How...

...by multiplying the work and impact of SAT-7’s staff. As a SAT-7 Volunteer, you become an ambassador in your church, community, and state for this vital ministry.

Simply start by sharing amazing stories of spiritual transformation with friends and family in your community.

You can share within your circle of influence about SAT-7’s unique Christian broadcast ministry to the volatile and spiritually needy Middle East and North Africa.

You can testify to the redemptive work of Jesus Christ among spiritual seekers and the encouragement and blessing SAT-7 shares with believers in the regional church.

You can faithfully give of your treasure to enable SAT-7 to broadcast Christian teaching and values into religiously and socially closed countries in the Middle East and North Africa.

"There are 7 reasons my husband and I support SAT-7: It’s based on Scripture and covered with prayer. It has potential to change lives and societies. It should have long-term impact. Broadcasts are produced with excellence. Finally, SAT-7 helps develop Christian leaders."—Martha Sue B. IN

We also need your time and talents to spread the “good news” of what SAT-7 is doing in sharing the “Good News” in the Middle East.

Being a SAT-7 Volunteer is easy, enjoyable, and fulfilling. And better yet, it is your opportunity to be a spiritual blessing to others, including our Middle Eastern and North African brothers and sisters—and ultimately to you.

"Imagine: Right here in the U.S., I can do something that is changing lives in the Middle East!"—Tom N. Founding Chairman, Department of Cinema and Media Arts, Biola University, CA
