HOPE THROUGH PERSECUTION

“I would like to thank you for remembering us in your prayers and for sending us these prayers and weekly verses to our personal pages. They are a source of great encouragement! It's truly heart-warming to know we have brothers and sisters that keep us in their prayers and thoughts. Such a blessing. Every single word in these prayers is dear to me because it helps me start off the week feeling blessed.”

You have no idea how much your presence and what you do helps us persevere through all these hardships and persecutions, and how much it strengthens our faith here in Iran. I thank the Lord Jesus Christ for you. We need God's hope. May God bless each and every one of you.” – Hooman, a male viewer in Iran.

As Christians all around the world celebrate Easter this month, remember brothers and sisters in Christ who are being persecuted for their faith. Pray that believers living in the MENA will have freedom to worship openly, without fear of persecution from the government, friends and even family.

MIRACLE CHILD

Salima, a viewer in Egypt, shares how God fulfilled her heart's greatest desire; to have a child.

“My doctors told me that it would be impossible for me to become pregnant due to problems with my ovaries. Despite this, I had faith that God could do the impossible. Through special messages and dreams, God encouraged me. But all the results of my medical tests were weak, and I was always disappointed. Basically, I was struggling between faith and medical fact.

I decided to believe that God would make a way where there was none. Then the miracle happened! And I became pregnant Christmas Eve. After six years of marriage, I finally had a daughter. I decided to call her 'Pray'. Yes, her name is Pray, because she was a miracle

as a result of prayer. The miracle happened after six years, can you imagine that??

My daughter loves your program *Family of Jesus*. I sent you a photo and video. In the photo I shared with you, she is seated in front of the screen, watching *Family of Jesus*, and in the video, she is singing the song 'Family of Jesus'. God bless you all, and may he expand your services more and more. What an amazing program! I love it. You have a wonderful method of teaching kids and reaching their hearts and thoughts.”

Give thanks to God for his miracle in Salima's life. Pray that SAT-7 KIDS will continue to be a source of blessing for both Salima and her daughter, and that Pray will grow up knowing she is loved by God her Father.
