PRAYER CALENDAR

May 2019

BLESSING THROUGH HONESTY IN RELATIONSHIPS

"Good evening Rawad and Marianne* and God bless you for the positive energy you give to everyone. There was a while I couldn't watch your program regularly, but I will from now on so that I can be blessed by your experiences.

I like that you talk about sensitive topics which are very important, and others are shy to talk about. God bless you. I sometimes lose hope about everything related to relationships when I see situations around me. But when I watch your program, I see that there is still hope in people who love Jesus and let Him reign in their lives."

ENCOUNTERING GOD IN DREAMS

"I revealed myself to those who did not ask for me; I was found by those who did not seek me. To a nation that did not call on my name, I said, 'Here am I, here am I.'"
Isaiah 65:1

In His faithfulness and mercy, God continues to reach out to individuals in unexpected ways. Rad, a male viewer in Afghanistan, has approached SAT-7 for answers, after an encounter with God.

"About six months ago, I had the same dream twice in the same week, which I found highly intriguing. I dreamt that a hand reached out to me, and although I can't recall the person's face, I remember the voice that spoke to me, which was warm and kind. He said, 'Come to me, my child.'"

"I desperately wanted to find out the

meaning of my dreams and asked around, but none of the answers I received were convincing. I was about to give up when I accidentally watched a SAT-7 PARS program. In the program they talked about Jesus who said, 'Come to me all you who labor'. I knew that this was the interpretation to my dream! I had to find out more about Christianity. I found your number and left you a message because I want to follow Jesus Christ with all of my heart, as a child of the Lord."

Rad has now received a Bible and a couple of books to help him understand more about Christianity. He is also in regular contact with SAT-7 PARS staff, who are helping him with his questions.

Please pray for Rad, as he discovers God's love for him. Pray that God will continue to change people's lives in the MENA.
