

SPONSOR A DAY OF BROADCASTS

Each day, millions of people tune in to watch our programs and hear the Gospel. Across the Middle East, whether it be a Farsi-speaking Iranian who is an isolated believer or an Arabic-speaking refugee child, people hear programs being broadcast 24/7 in their language via satellite television.

For **\$670**, your church can sponsor a full day of **SAT-7 PARS** or **SAT-7 KIDS** broadcasts. Prayerfully consider choosing a day from our online calendar at **www.sat7usa.org/sponsor-a-day/**.

What does our sponsorship cover?

- Cost of the network and data transfer
- Uplink playout cost
- Airtime cost

How would our church support a SAT-7 broadcast?

- Pick and fund one day of their broadcast
- Build awareness in your church for your chosen day
- Pray for that day's programming
- Share on social media about your sponsorship
