Making the Gospel available to everyone in the Middle East and North Africa

The support you provide to the growing Church in the Middle East and North Africa plays a vital role in helping young Christians mature in their faith.

One Iranian believer named Sarina had taken bold steps to follow Christ.

But she did not experience a maturing Christian faith until she started watching the SAT-7 PARS channel (from Iran) and connected with the SAT-7 Audience Relations team.

It was through the simple step of discipleship that God not only began changing her heart but the

heart of another.

Faithful to the call

Sarina's faith was growing, but it was her soon-to-be coworker, Meersa, who would be the beneficiary of her friend's maturing relationship with Christ.

Meersa always wanted to know Jesus and follow Him, but during a personal crisis, she became disconsolate and gave up hope

"I'm grateful for those valuable stories ..."

Reaching children through stories that engage

Hania is a mother from Egypt, and like many who are striving to raise a family in an area surrounded by conflict and uncertainty, she relies upon SAT-7 KIDS programs to encourage her son with God's love and hope.

Recently, he was watching a bedtime story called "Adam and the Animals." It was a program that engaged him with delight. Though he had heard the story before, Hania noticed his intense concentration.

But the program didn't only capture his interest. It helped support his growing faith. "After he had heard the story," she remembers, "he closed his eyes and prayed with you. I'm grateful for those valuable stories and caring for kids."

THANK YOU FOR MAKING THIS POSSIBLE!

Your generosity plays a vital role in the ministry of SAT-7 KIDS.

of finding true peace. But then Sarina began working at the same office.

She noticed the palpable sadness weighing

down Meersa and instead of ignoring her coworker's dejection, she encouraged her lovingly, but emphatically, to submit to God and speak to her Heavenly Father about her problems.

“I had heard nice things said to me,” Meersa recalls, “but this was completely different, and it was like cool water poured onto the fire that was raging inside me and it woke me up. So, I opened up to Sarina, and I told her about my heart for God.”

She also called the SAT-7 PARS Audience Relations team to get additional guidance about placing her faith in Christ alone.

**Your partnership prepared
Sarina to be an effective
witness for Christ.**

Thank you for YOUR faithfulness!

Like ripples in still water, a deepening faith in Christ causes others to feel the effects of His love.

Your faithfulness benefited Sarina, and Meersa benefited from Sarina's faithfulness to share the love of God. The growing church in the Middle East and North Africa is encouraged and strengthened by simple acts of loving discipleship that share the hope that is only found in Christ.

THANKFUL FOR YOU!

We want to share with you some of the incredible stories of changed lives that we receive from SAT-7 viewers in the Middle East and North Africa. This is our effort to get you closer to the people your gifts bless through Christian programs imbued with hope.

To that end, SAT-7 North America is launching a new newsletter called “SAT-7 TODAY.”

We'll endeavor to put you in touch with Arab, Persian, and Turkish viewers.

We hear from them primarily through social media apps. They pour out their hearts, so it is easy to hear their hunger to know more of God's grace.

We pray these stories encourage your heart as they have ours.

Dr. Rex M. Rogers
President, SAT-7 USA

HOW YOU CAN PRAY

“I have a very different background, but now I love Christ and I have peace. I never felt loved in my life until I learned more about Christianity, which speaks of His person, Jesus Christ.

“I learned that it is not a religion as much as it is a relationship with Christ, who is everything. I have found the real treasure and light, and through Him, I no longer live in darkness.

“Thank you, my brothers and sisters, for your ministry. I pray that the Lord will do great things in this country.”

— Rabie, a male viewer from Algeria.

Please pray that Rabie will continue to grow in his faith.

YOUR GIFTS ARE MAKING AN ETERNAL DIFFERENCE!

Originally from Afghanistan, but now living in Iran, Kamran sees the SAT-7 PARS Audience Relations team as a lifeline. In one message, he writes, “It is now a year, nine months and 20 days since I was rescued from the darkness of sin, and I am forever grateful to you and all my brothers and sisters in Christ.”

When you give to support SAT-7, you help disciple isolated believers who are not visibly connected to a local church. And you also provide a team to share in the joyful milestones as well.

You can help make more stories like this possible with your gift today. Thank you!

WORDS TO INSPIRE YOU

We recently received this note with a generous donation from a woman who had just retired. May her words warm your heart as much as it did ours!

Dear SAT-7,

When I got my first “real” job 50 years ago, I was so grateful that I donated my entire first paycheck to the Lord. I later found out that this is the doctrine of “first fruits.”

I have done this several times throughout my life.

This will probably be the last time I will have the opportunity to participate in “first fruits.” SAT-7 is the recipient of my first full retirement check.

Thank you for your resolutely firm and unwavering dedication to our magnificent God! May God bless you and all whom you serve.

In His name, Ms. J
