## Thank you for encouraging and equipping believers like Mashaal to face trials with faith

When we walk into our church buildings, we don't need to worry about being arrested, losing our jobs, or putting our lives on the line.

But for Christ followers in Afghanistan, enjoying Christian fellowship is a privilege they daily pray for. Their norm is hiding Bibles underground, keeping quiet about Jesus in their homes, and staying inside to avoid violence.

After a sudden 180-degree turnaround, Mashaal (we've changed his name to protect his

safety) found himself living that lonely reality.

The young man went from a hopeful new career in the legal field to unemployed and fearful. As intimidation grew in Afghanistan, Mashaal was left with no choice but to pull his children from school and live in isolation with his family.

"Every moment we live with the possibility of physical violence, arrest, humiliating treatment, and even execution," says Mashaal. "All we want to do is stay alive."

# YOUR SUPPORT HELPS MAKE THE IN

*Mashaal's story continued from page 1*

Mashaal's sister is the only one in the household with a job. The family relies on her meager monthly income to afford basic necessities. But as food costs rise drastically from conflict in their country, they are left with barely enough to stay above starvation.

In the face of crisis, Mashaal finds hope in Jesus. But he can't say so out loud, even in his own home. He is the only believer in his family.

"We discuss the challenges of life, but rarely do I get to talk about matters of faith," Mashaal says.

Yet, that doesn't stop him from finding ways to share truth with his sister. "Although I haven't openly spoken to her about my faith, I talk to her about the debilitating and enslaving nature of sin around us that has darkened our lives. She completely understands what I say to her."

**"RARELY DO I  
GET TO TALK  
ABOUT MATTERS  
OF FAITH."**

## God's power is on the move!

In the face of intense oppression, God still moves. And He's using SAT-7, with your partnership, to encourage isolated believers like Mashaal and reach lost family members. Your support broadcasts encouraging television programs to those who struggle to understand why they're enduring trials.

"The only hope we have is the true God," says Mashaal. "He is the supernatural power Who

grants us comfort and grace. This strong faith in God's power has caused me to live with peace in my heart and mind."

**Flip to page 4 to see how you can broadcast God's supernatural power to other isolated believers in the Middle East and North Africa!**

**Please consider supporting SAT-7 each month to provide new believers with tools to strengthen their faith.**

## Your prayers are essential!

The prayers of SAT-7 ministry partners like you are not only appreciated but crucial in changing lives. Sometimes, SAT-7 counselors are the only people that isolated believers can contact to ask for prayer or celebrate a need God answered.

We invite you to join us in prayer for the specific requests sent from men and women across places like Afghanistan. Expect God to move as we press in and pray together!

### THE POWER OF PRAYER

One of my favorite childhood memories includes hearing adults in my family pray.

Grandpa Bones Davis was the spiritual patriarch of our family, helped found our home church, and prayed at hyper speed. His prayers were thoughtful, God-honoring, and memorable.

Dad was always influential because of his character. He prayed quietly and sincerely, using the King James Version's "thee" and "thou."

I trust your prayers are also sincere, God-honoring, and memorable. God is interested in our hearts more than our style.

SAT-7 thrives on the power of prayer. Thanks for keeping us in yours.

*"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God" (Phil. 4:6).*

# YOU can bring community to believers on the margins

There is no Sunday service, no Bible study, and no community in countries where it's difficult — and often dangerous — to follow Jesus.

Being a Christian in regions that are closed off to the Gospel means living on the margins — in isolation. But God is using SAT-7 ministry partners like you to bring fresh encouragement to believers who feel unreachable.

One day of SAT-7's biblical programming can make an eternal impact by encouraging an isolated believer — or even presenting the Gospel to someone who may never get an opportunity to meet a Christian.

You can help create the church community so many people in the Middle East and North Africa lack. Please consider sponsoring a day or partial day of programming. It's an easy way to change the life of a new believer who feels lonely and discouraged.

Thank you for helping Christ followers strengthen their faith. Your gift will make God's love visible to those who feel invisible.

THANK YOU!
