Making the Gospel available to everyone in the Middle East and North Africa

Adel was living in darkness and poverty . . . until he found new hope and faith!

“All I see around me is the devil’s work in people’s hearts,” says Adel.

A shepherd in a small Moroccan village, Adel is surrounded by poverty and hopelessness. Unemployment and illiteracy are hurdles for many in Morocco. Most don’t know what it feels like to have security or peace.

Like most others in the Middle East and North Africa, Adel grew up embracing a non-Christian religion. But he knew there was something more — something that could bring

him real hope.

It wasn’t until he heard a SAT-7 message about how to be set free from sin that he caught a glimpse of real hope — hope in Jesus Christ.

Adel reached out to us, saying, “I really want to change. I desperately need Jesus to help me overcome my struggles with myself and others.”

Finding life-changing truth

Thanks to your generosity, SAT-7 was able to reach Adel and have a

one-on-one conversation with him about God’s love and forgiveness.

We started going through God’s Word with Adel. And the more he watched SAT-7’s programs, the more he felt confirmation in his heart that Christ’s love is what he’d been missing.

After walking with Adel for some time, we asked him if he wanted to put his trust in Jesus for a new heart. Adel said, “Yes! Jesus is the Spirit of Truth and the Word of God. How can I not receive Him Who died for my sins?”

Beautiful moments of declaration like Adel’s are possible by God’s grace and your support. But you help accomplish so much more.

You’re discipling Isolated Believers

In Morocco, becoming a believer is not illegal like it is in nearby countries. But it’s still met with extreme social pressure. Sharing the Gospel is forbidden, and any Christian can be watched, imprisoned, or questioned by the government.

Some new believers fear the rejection of family and society so much that they follow Jesus in complete secrecy.

Isolated Believers like Adel don’t have a church community. They need someone to stand alongside them in their faith. That’s where you come in.

**“THERE HAS NEVER BEEN
A TIME WHERE I NEEDED
GOD MORE . . . ”**

After Adel gave his life to Christ, your partnership made it possible for our team to pray with him and send him a digital copy of the Bible. Adel began to study

God’s Word and learn what it means to be a new creation in Christ.

His personal time with God grew, and he began to ask questions about fasting and praying. Thanks to your support, there were people there to answer.

“There has never been a time where I needed God more than I do now,” he says. “I’m finally able to see what’s been hidden.”

Across the Middle East and North Africa, Isolated Believers are lacking discipleship needed to grow in their faith. You can make God’s love visible to others like Adel!

BEHIND THE SCENES:

The broadcasting technology you help make possible

Four channels. 25 countries. Millions of viewers. What does it take to make all this happen?

More than you might think. But most important, it takes you and other ministry partners! Here are two cutting-edge ways you make Christian programming accessible to Isolated Believers:

EXPANDING ABILITIES WITH NEW TECHNOLOGY

With a new green-screen system, our SAT-7 PARS team is able to apply virtual sets in real time while recording.

This new feature makes it possible for our team to save a lot of time in the production process!

NEW AND IMPROVED PLATFORMS

You are helping to make Christian programming available at the tap of a finger with SAT-7 PLUS — the first free Christian on-demand streaming service in the Middle East and North Africa.

All of SAT-7's programs are accessible on this easy-to-use smartphone app. Viewers can even create a personal playlist and share it with friends and family.

Anytime, anywhere, adults and children can learn the Word of God — thanks to your partnership!

BYPASSING CENSORSHIP

SAT-7's satellite broadcasting is virtually uncensorable, and can cover unreachable areas where there is little infrastructure.

ENGAGING YOUNG VIEWERS

More than 460,000 people across the Middle East and North Africa are reached daily on Instagram with encouraging Christian content.

24 HOUR BROADCASTING

There's never a moment when we're not broadcasting! People can watch SAT-7 programming any time of day.

INTENTIONAL CASTING

People in front of SAT-7's cameras are pastors, leaders and fellow Christians. They know what it feels like to be an Isolated Believer and how to relate to viewers!

HIGH DAILY IMPACT

More than 1,000 viewers contact our team every day to ask questions, get advice and share life-changing stories.

USING TECHNOLOGY TO SHARE THE GOSPEL

SAT-7 is about a message — the life-changing message of Jesus Christ. No other truth and hope can transform hearts like the Gospel!

But to broadcast the Good News across the Middle East and North Africa, we have to pair the message with a method.

It all started with television broadcasting in 1995 when SAT-7 launched. And as the times changed, so did our method.

From Betamax tapes to on-demand streaming, puppets to animation, analog cameras to digital . . . your generosity has helped spread the Gospel message to Isolated Believers and non-believers.

God gave you and I the mandate to make disciples. But to reach people in countries closed off to the Gospel, we have to get creative — with technology.

Your special support makes essential broadcasting tools possible. Thank you!

HOW YOU CAN PRAY

Urgent prayer requests from believers in the Middle East

“Where I live, I jeopardize my life by being a Christian. I want to be safe.”

— **Shawky**
a male viewer from Iraq

“In all the places I have looked for God, there was nothing but darkness. Then one day, I had an encounter with Jesus. I want to live in His way and stay with Him always. Please pray for me.”

— **Enver**
a male viewer from Türkiye

Please continue to pray in faith for believers in the Middle East and North Africa. May God protect them and give them courage and peace!

Equip Isolated Believers to stand strong in their faith!

It gets lonely being a believer in the Middle East and North Africa.

Hardly anyone else around them — not even friends and family — is a Christian. Isolated Believers have no church, no community, and no one to disciple them. They're rejected by society. Some even put their lives at risk.

That's why your support today is so essential for these men, women, and children.

Every \$56 you give now will broadcast two hours of Christian television into millions of homes in North Africa and the Middle East.

Your support helps equip and disciple Isolated Believers, so when the pressures come, they'll be full of faith instead of fear.

Thank you for helping Christians in the Middle East and North Africa thrive!
