

## **October 2023**

Thank you for joining the October Beyond Borders Prayer, connecting you with on-the-ground SAT-7 staff from the Middle East and North Africa. This month, we learned firsthand from Joe Willey – SAT-7 USA Vice President of Marketing and Communications.

The work of SAT-7 covers the MENA, but more importantly, it reaches people. And they all have stories to tell. Every day, viewers contact SAT-7 to pray, ask questions, or share how God is working in their lives. Though the viewers may be in difficult or even desperate situations, their witness to the work of Christ is an encouragement. Sharing their stories is one way SAT-7 lets ministry partners like you know how God is changing lives.

As you read the SAT-7 stories, please take a few moments to think about the context of that story, who is sharing, their real-life situation, and the impact SAT-7 programs have had on them and their witness to others. We can learn so much just by taking time to contemplate what that story is communicating.

### **Suggested Ways to Pray**

1. Pray for Joe Willey – SAT-7 USA Vice President of Marketing and Communications, as he selects and communicates the right stories for you, our ministry partners.
2. In telling stories, there is tension! The desire to tell a viewer's story of life change for you yet not wanting to share too much for security reasons and compromising the safety of one of our SAT-7 viewers, their families, and/or their church.
3. Pray for the Marketing and Communications departments of all SAT-7 support offices, communicating with ministry friends and partners about the impact of the ministry.
4. Pray for the 1,000 viewers contacting SAT-7 Viewer Support Team each day!

### **Host Your Own Prayer Time**

The SAT-7 USA trusts that what you hear and learn during Beyond Borders Prayer calls will ignite a passion for hosting your own prayer times with your families and friends. Sometime during the next week, please gather a group together to pray for SAT-7. Beyond Border Prayer resources are available at [www.sat7usa.org/beyond-borders-prayer](http://www.sat7usa.org/beyond-borders-prayer).
