

BEYOND BORDERS PRAYER

April 2024

Thank you for joining the April Beyond Borders Prayer Zoom. We are pleased to connect you with on-the-ground SAT-7 staff from the Middle East and North Africa. This month, we learned from Dr. Terence Ascott, SAT-7 founder and president.

Dr. Ascott unraveled five pressing challenges confronting the Middle East and North Africa region today and their profound impact on the Church and Christian ministry. From escalated conflicts to restricted press freedom and limited education access to the deprivation of women's and religious rights, each issue presents a unique hurdle. Dr. Ascott explained how SAT-7, the pioneering broadcast media ministry, is ingeniously addressing these challenges and fostering transformative change through innovative approaches.

Here are some suggested ways to pray

1. Pray for Dr. Ascott and his important role as ministry founder and president.
2. Pray for SAT-7 writers, editors, and producers making programs that meet the needs of viewers across all channels, digital and social media.
3. During these tumultuous MENA times, with so many regional conflicts, pray for SAT-7 staff protection across the MENA region.
4. Pray for SAT-7 programs that are encouraging the many Isolated Believers.
5. Pray for Church leaders across the region as they guide the Church during times of hostility. Pray God gives them inspired wisdom and insight.

We trust that what you will hear and learn during the SAT-7 Beyond Borders Prayer Zoom meetings will ignite a passion to pray for the work of SAT-7 and its viewers.

Please consider hosting a SAT-7 prayer time using the April Beyond Border Prayer printable resource. It is available at sat7usa.org/beyond-borders-prayer/ Thank you for your partnership.
