Prayer Points

Lord, we pray today for the children and young people across the Middle East and North Africa, many of whom grow up surrounded by conflict.

- Pray that those watching would learn about God's love for them and how He made them to be unique and valued.
- Pray that kids who are struggling in their homes or community would go to the Lord with their worries and find comfort in Him.
- Pray for the millions of children who are out of school due to conflict or financial circumstances. Pray that they can learn from SAT-7 KIDS' *My School* lessons that help supplement their education.
