

BEYOND BORDERS PRAYER

May 2024

Thank you for joining the May Beyond Borders Prayer Zoom, connecting you with on-the-ground SAT-7 staff from the Middle East and North Africa. This month, we learned about Yunus Emre Karaca from the SAT-7 TÜRK Viewer Support Team.

His journey to finding freedom in Christ took eight years. He represents a whole generation of youth in Türkiye searching for meaning, purpose, and truth. His own experience and understanding of his culture have prepared him well for his role with SAT-7 TURK audience relations but also prepared him for his responsibilities in his local church. Please add Yunus and SAT-7 TURK audience relations to your prayer list.

Here are some suggested ways to pray

1. Pray for Yunus Emre Karaca and his important role with the SAT-7 TÜRK Viewer Support Team.
2. Pray for SAT-7 TÜRK channel as they produce and broadcast timely programs for the Turkish people.
3. During these difficult MENA times, with so many regional conflicts, pray for SAT-7 staff protection across the MENA region.
4. Pray for SAT-7 programs that are encouraging the many Isolated Believers.
5. Pray for Church leaders in Türkiye and across the region as they guide the Church during times of hostility. Pray God gives them special wisdom and insight.

We trust that what you will hear and learn during the SAT-7 Beyond Borders Prayer Zoom meetings will ignite a passion to pray for the work of SAT-7 and its viewers.

Please consider hosting a SAT-7 prayer time using the April Beyond Border Prayer printable resource. It is available at sat7usa.org/beyond-borders-prayer/ Thank you for your partnership.
