Making God's love visible to everyone in the Middle East and North Africa

## When Christine prayed for peace and healing, God used YOU to answer her prayers!

Meet Christine (name and photo changed for safety), a young teenager from Egypt who loves Jesus.

Christine has watched SAT-7 KIDS programs – such as *Bible Heroes* and *Family of Jesus* – for as long as she can remember.

She loves SAT-7 KIDS' worship programs, and often watches and participates in the gameshow *Behind the Door* – calling in with answers that reveal deep faith and knowledge of

the Bible.

Yet, Christine has faced many trials for a girl so young.

Her family faces financial instability. And her father is physically abusive toward her, her non-verbal sister, and her mother . . . who is tired and in poor health.

Can you imagine the burdens Christine carries for her family?

But your kindness and generosity are

*Christine's prayer for peace . . . (continued from page 1)*

sending her tangible hope and encouragement in Jesus' name!

Messaging the SAT-7 Viewer Support Team, Christine shared that she prays with her mother for her dad, and all she wants is to live in peace. Because you give, the Viewer Support Team was able to encourage her and send her a prayer from a *Behind the Door* presenter.

"I want to thank you for your prayers," Christine responded. "My dad was happy today with the *La Fiesta* program, which he used to be annoyed by before because it sang a song from the Psalms. I can't believe God is working like this. Now he has also started reading the Bible every morning, and we pray together every night before we go to sleep."

Praise God for turning the hearts of fathers toward their children (Malachi 4:6)!

The transformation in Christine's family doesn't stop there . . .

Recently, Christine shared, "There was a song

called 'The Lord Is My Strength, My Song, and My Salvation', in which a man bakes a cake with the help of children, each holding an ingredient, such as sugar or flour. My non-speaking little sister sang the song and loved it. Our family is blessed by the song.

"You also played another song that said, 'In the name of Jesus, get up and walk,'" Christine said.

"It was also a blessing for our family because my little sister, who couldn't speak, sang it all

and my mother, who had been bedridden for a week, got up and walked."

## YOU ARE CHANGING LIVES FOR ETERNITY WITH EVERY HOUR OF PROGRAMMING

### **Meltem\* and her family went from atheists to lovers of Jesus!**

“I added you on YouTube after watching your program *The Heritage Files* on SAT-7 TÜRK’s channel. Until three years ago, we were believers in deism and atheism. But now we have Jesus in our lives. SAT-7 TÜRK has played a great role in our journey of knowing Christ. Thank you very much to your whole team.”

### **Parham’s\* peace always felt short-lived . . . until you showed her the fruits of the Spirit!**

“I’ve always tried to be humble, kind, faithful, and self-controlled, even before I came to believe in Christ. But when SAT-7 urged me to study and reflect on Galatians 5, I now realize I’ve been a complaining and critical person.

“I’ve never been a slave to passions of the flesh, but I’ve noticed my joy and peace are easily disrupted. Through prayer and the power of the Holy Spirit, I’m working on these areas and seeking guidance. It’s been a great blessing for me.”

### **Hanaa\* from Egypt is sharing SAT-7 ARABIC with her family!**

“Thank you so much for this wonderful program. I love you all so much, to the point that I changed my study schedule. I now go in the morning before school on my own just to watch an episode of the program. May God bless you! I told my entire family to listen to the program, and they were all very happy with it.”

# His life-changing encounter with Jesus starts with YOUR gift

Families are divided. Young people are plagued by anxiety and have few (if any) opportunities to attend college. Men and women are living separated from Jesus and don’t know about His redeeming plan for their lives . . .

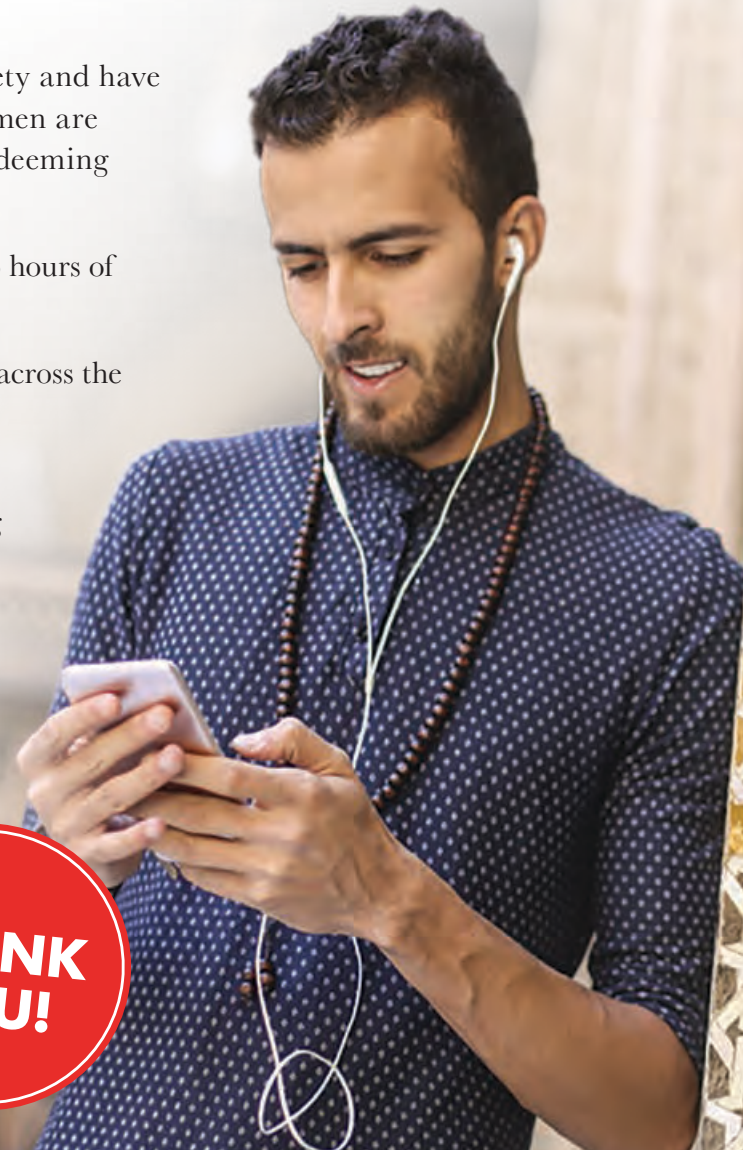

. . . but you can be their beacon of hope – starting with two hours of biblical, encouraging programming.

Will you bring God’s love and hope into millions of homes across the Middle East and North Africa?

**Every \$56 you give now will provide two hours of Christian television and on-demand programming – turning skeptical and hurting hearts toward the Father and equipping people of all ages to live for Jesus in a spiritually dark region.**

Your prayers and generosity are powering encounters with God all over the Middle East and North Africa! An hour of streaming could be all it takes to open the door to salvation and restoration for another viewer. Knowing this incredible leverage, please give your best gift now. A desperate heart will find the truth and love they’re longing for!
