FAHAD'S STORY: From hating God to pursuing Him with an undivided heart

"I will hate God until I see Him."

When SAT-7's Viewer Support Team received this angry message from Fahad (we've changed his name for safety), they saw it as an opportunity from God.

"I was raped as a child. This caused me to feel deep shame and guilt. I felt dirty. I started abusing substances," said Fahad. "Even as I type about these experiences, I feel as if I'm being stabbed with a knife. Do you think I have any hope for loving God again?"

Fahad was wrestling with a question many truth-seekers ask: *What kind of God would allow such pain and injustice?*

Your support makes it possible for a faithful, loving Christian to answer questions and share the gift of the Gospel during moments of deep despair.

HOPE FOR HEALING

Our team responded to Fahad with grace and understanding. He was able to hear God's plan for redemption — and began to unravel

the deep-seated lies in his heart. Fahad is just one of many across the Middle East and North Africa who are searching for healing and hope. And God is using your generosity to draw these truth-seekers into His redeeming love!

"This conversation is not coincidental," our Viewer Support Team told Fahad. "God loves you and wants to heal you."

Fahad was at a crossroad. Was his remaining doubt enough to overwhelm the love he was hearing about? Fahad chose to take a step toward Jesus. The mercy that met him on the other side changed his life forever.

A NEW CREATION IN CHRIST

"I come before you, Jesus, God of Love," Fahad prayed with the SAT-7 team. "I want You to dwell

in my heart. I don't want to spend another day without You. I know I disobeyed You. My heart cries to You to show me Your ways. Teach me who You are. Speak to me about how much You love me."

**"I KNOW GOD WANTS
TO GIVE MY HEART
PEACE . . . "**

Your partnership with SAT-7 shares the truth that sets people free with truth-seekers like Fahad. Today, he's a part of a church body, learning God's Word through SAT-7 programming, and hungering after all the Lord has for him.

"I felt God's desire to have us taste His goodness," Fahad said in a follow-up conversation with the SAT-7 team after attending church for the first time. "I felt He wanted to purify my heart more and more. I know God wants to give my heart peace as He drives away the sin. I felt so much joy."

Four channels. Over two dozen countries. Millions of viewers. Countless testimonies of transformation. Without your partnership, so many across the Middle East and North Africa would be left without Living Hope. Your prayers and generosity are reaching thousands of people!

DR. REX M. ROGERS

President, SAT-7 USA

God has positioned SAT-7 to change lives. It is humbling to read the stories of viewers in the Middle East and North Africa. Many, like those in Isaiah's time, once walked in darkness but have seen a great light. We know that the great light is Jesus Christ.

Though our viewers cannot thank you directly, I can. Because of your faithful prayers and support, there are men, women, and children who have watched SAT-7 programs and encountered Jesus, the Son of God, for the first time. They heard the Gospel and now have hope that will never be taken from them. It is a lasting, eternal hope. Their lives are changed forever—thank you!

Truth-seekers need *hope*.

Many are terrified, living under oppression. Others are burdened with deep “why?” questions. All are longing for hope that doesn’t fade at the end of the day.

Will you give today to make biblical programming and viewer support available 24/7?

Every \$56 you give will broadcast two hours of Christian television into millions of homes across the Middle East and North Africa.
