Making the Gospel available to everyone in the Middle East and North Africa

Lina thought there was no way out of her sin. Until you introduced her to her Savior.

Lina couldn't take it anymore.

No matter how hard she strived, Lina (we've changed her name for safety) couldn't stop the cycle of sin that tormented her. Freedom felt so far out of reach for the young Moroccan woman. Living in a culture that places a high value on success, she couldn't escape the feeling that she needed to do more . . . work harder . . . be better.

It all made her feel so *alone* – like something was wrong with her. She had no idea there was a Savior who

died for her sins.

"How can I break free from this sin? I keep falling into it and can't stop. Is there hope for me?" she asked a mature and compassionate Christian on our Viewer Support Team after watching a SAT-7 ARABIC campaign about freedom from sin.

So many viewers feel like Lina – like there's something defective about how they're created. They need someone to show them their loving Creator, who loves His sons and daughters and is not intimidated

Continued inside

Your gift today will help disciple a believer like Lina who lives in a land where it's dangerous to believe in Jesus.

Lina's story continued from page 1

by their painful pasts. This revelation changed everything for Lina. And it happened through the Christian programming you make possible.

A NEW CREATION IN CHRIST

Our Viewer Support Team walked Lina through the truth of how sin enslaves us – but that God loves her so deeply that He gave His Son, Jesus, as the perfect sacrifice for her sin. What Lina heard felt too good to be understood.

“I never thought there was a way out,” she shared. “But now I see how much God loves me and how He has made a way for me through Jesus.”

Lina longed to break free from sin and follow Jesus. “I want to be free,” she insisted. “I want to accept Him as my Savior.”

**“THANK YOU FOR
HELPING ME FIND THIS
FREEDOM.”**

Our team prayed with Lina. And in that moment, the chains that held her were broken.

Today, Lina is no longer defined by her sin, but by the Father who loves her. She is a new creation in Christ, fixated on the bright future that God “prepared beforehand” for her (Ephesians 2:10). She’s pursuing the Lord passionately with support from SAT-7 programming and virtual discipleship – all made possible by your generosity.

Living in Morocco, Lina doesn’t have easy access to scripture and Christian resources. Your partnership helps fan her faith into flame.

“The more I pray, the closer I feel to God,” she recently shared with us. “Thank you for helping me find this freedom.” This is the miracle-working power behind your generosity.

You're making God's love visible – and audible – in local languages!

Imagine someone is talking to you about Christ's love. But you can't understand the language they're speaking in. The Gospel would be just out of reach!

To bring Christ's love to everyone everywhere in the Middle East and North Africa, we need to communicate in the words they know best. You're helping to make SAT-7 broadcasting available in all dialects of the region!

SAT-7's three main channels – SAT-7 ARABIC, SAT-7 PARS, and SAT-7 TÜRK – are divided into the region's three main language groups of Arabic, Persian, and Turkish.

Each language group includes a wide range of variations. Your financial partnership is expanding production to include new dialects and reach more truth-seekers.

Viewers should hear about God's love in their own heart language from people who understand their culture – so four out of five SAT-7 programs are produced by local Christians.

SAT-7 is seeing many people come to Christ in regions like Algeria, Tunisia, and Tajikistan because of new programs in new dialects!

HIS LOVE IS FOR THEM

In this *SAT-7 TODAY* newsletter, you'll read about just one of the reasons SAT-7 is passionate about the Kingdom work of broadcasting the Good News across the Middle East and North Africa.

Having you and other friends who share that same passion fills me with hope!

Viewers like Lina (whose story starts on page 1) may have never heard about freedom in Christ or from attempts to defeat sin on their own. To them, hope is no more than an empty wish.

I wonder . . . How many are still longing to hear the truth?

Your support of SAT-7 and the work God is doing is an investment in the people of the Middle East and North Africa. You are telling them through Bible-based programming that God's love is not just for others – *it's for them, too*. Thank you for joining us to make God's love visible!

HOW YOU CAN PRAY

Real-time prayer requests from the Middle East

“I am a Christian woman, and I live in an environment that despises women. This has caused me severe psychological problems. I feel wounded and continue to struggle with feelings of rejection.”

– A woman in Jordan

“There’s been a surge in engagement from women in the region, reflecting their growing hunger to know the love and truth of the God who sees.”

– SAT-7 ARABIC’s Viewer Support Team Manager

You can change a life for eternity with just \$56

In homes across the Middle East and North Africa, people are risking everything just to know Christ’s truth.

Some are hopeless and are ignored. Others carry deep pain from war, poverty, or oppression. Still, they’re searching, wondering, *Is there a God who sees me? Is there hope that lasts?*

You can point them to the love of Christ that satisfies their deepest longings.

Your gift now of \$56 will broadcast two full hours of biblical programming straight into homes where church doors are closed and following Jesus comes with a cost.

SAT-7 programming isn’t just “TV time” for men, women, and children. It’s discipleship. It’s the Living Word. And it’s freedom their society doesn’t offer. Thank you for changing millions of lives!

THANK
YOU!

3 WAYS TO MAKE GOD’S LOVE VISIBLE

The stories in this newsletter are a testimony of God’s faithfulness and the fruit of your generosity. Thank you for your prayers!
