Making the Gospel available to everyone in the Middle East and North Africa

You reached Raha with Gospel truth . . . *and then you reached his family.* This Christmas, Raha has HOPE!

What if Raha walked through life never hearing about Christ? Never even *meeting* a believer?

In Iran, it's a likely story. Because there, following Christ is dangerous. Culture at large doesn't embrace believers. You can lose your job, get expelled from school, or be rejected by your family.

But because you give and pray, Raha's story is very different.

You reached him on the other side of his TV screen with eternal hope. He's one of millions across the Middle East and North Africa who are encountering God's love in the

safety of their homes and making the life-changing decision to follow Jesus!

"I became a Christian through your satellite channel!" he says.

After Raha accepted Christ through guided prayer with SAT-7's Viewer Support Team, it became real to him how isolated he'd become. That's life for Christians in Iran.

He was hungry for connection with other believers who spoke his language and understood the challenges of daily life. "But there are few believers here," he says. "I

don't personally know any Christians."

No matter the length of time someone has walked with Jesus, we all crave Christ-centered community. Each of us – including Raha – are made to experience connection to the Church. "I wanted to have a conversation with another Christian, so I got in touch with SAT-7 to make some Christian friends and to be filled with the peace of the Lord," says Raha.

Raha wasn't the only one in his home who experienced this perfect peace . . .

Because after Raha started walking with Christ,

he led his family to know Jesus, too.

You're making a generational impact in hard-to-reach regions of the Middle East and North Africa!

Raha and his family won't be able to openly celebrate Christmas in Iran. But for the first time during this special season of Christ's birth, they'll experience real peace, hope, and joy that only comes from knowing Him.

"The Lord Jesus has entered my heart," says Raha. "I wouldn't be able to live a moment without Him."

**"I WOULDN'T
BE ABLE TO LIVE
A MOMENT
WITHOUT HIM."**

She reached out in the middle of a health crisis . . . not knowing she'd find her true Healer, Jesus.

Amany, a young adult woman from Morocco, reached out to SAT-7 for prayer in the midst of a medical diagnosis. And it turned into the most pivotal conversation of her life.

"I've had this cross-shaped birthmark on my neck since I was born," she told a member of our Viewer Support Team. "What does it mean? Is God trying to tell me something? I've been thinking about Jesus since I was a child, and especially now during my illness."

Because you help make viewer support available 24/7, Amany was able to hear the Gospel from a mature Christian. She became hungry to know

more about Jesus!

"How can I deepen my relationship with Him?" she asked after committing her life to Christ. Today, because you help provide biblical broadcasting, Amany's faith is being shaped and strengthened by scriptural truth!

Your generosity helps disciple new believers like Amany who are living in regions where it's isolating – and even dangerous – to follow Christ!

“God spoke to me”

Cansu, a woman in Türkiye, woke up drowning in anxiety.

“I felt so distressed,” she says. So Cansu turned on *Power of Prayer* – a SAT-7 TÜRK program that invites viewers to send prayer requests. What happened next flooded her heart with peace.

“When you were mentioning a few names, I said, ‘God, please speak to me.’ Then you said my name. I felt like my heart was going to burst out of my chest.”

That moment reminded Cansu that God sees her – even in distress. “He proved once again that He never leaves us. I write this to you because the Lord speaks to me through you.”

Mitra was suffering in addiction . . .

until your gift showed her lasting freedom and hope in Christ!

“Us women can be arrested for the way we dress,” says Mitra from Iran. “We are maltreated and hurt.”

This confusion, fear, and pain Mitra faces every day pushed her to cope by using substances. But God used your generosity to heal her.

“I was in addiction until Christ saved me,” Mitra shares. “I realized that God had plans for me. My spirit and mind were caught in a vicious cycle until I accepted Christ.”

Through SAT-7 programs and the truth of God’s Word, Mitra discovered healing and purpose.

“I surrendered my life and was saved from guilt. Now, I’m connected to the source of life. He made me to be the salt and light of the world!”

HOPE ISN’T SILENCED

Have you ever wondered what life would be like if you’d never heard of Jesus?

In many countries, people risk losing family or friends if they show even any interest in Him. Some long to know more . . . but stay silent out of fear.

That’s why I’m so grateful for your partnership. You make it possible to broadcast into places where following Christ is a risk – and where Christmas isn’t openly celebrated.

Through SAT-7 programming, you’re bringing the hope of Jesus to those who may otherwise never hear of it.

We believe everyone should receive the chance to hear the Gospel – the good news that the Son of God was born to cleanse us from sin. Thank you for partnering with us in that call. Merry Christmas!
